## How to get here

The following is a list of all the airplane and train arrival stops in Berlin including detailed directions on how to reach our institute by public transportation. Tickets for public transportation can be purchased at any BVG (public transportation) counter or from the orange automats located in all subway stations (U-Bahn and S-Bahn). Bus drivers also sell tickets but are usually unable to give change for large notes. You will need the ticket Normaltarif AB which costs EUR 2,10.

Now ride five stations to Dahlem Dorf and follow the directions below.

### **From S-Bahn station Botanischer Garten**

When you exit the S-Bahn station, take a right at Enzianstraße until you cross Unter den Eichen: take a left. Take a right at Fabeckstraße. The third street on the right hand side is Arnimallee.
